DETAILED ACTION

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on November 9, 2005 has been entered.

Applicant's arguments filed November 9, 2005 have been fully considered and are persuasive. The rejection of the application has been withdrawn.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Holly Moore on November 22, 2005.

The application has been amended as follows:

In the Abstract

Line 1 'comprising a light-emitting layer' has been changed to -- including a light-emitting layer --.

Line 3, 'comprises a thin-film' has been changed to -- includes a thin-film --.

Allowable Subject Matter

Claims 15,17,19-26 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance:

Regarding claim 15, the references of the Prior Art of record fails to teach or suggest the electroluminescent device having the combination of the limitations as set forth in claim 15, and specifically comprising the limitation of the thin film layer being continuously formed so as to cover the plurality of pixels and being continuously formed so as to cover the light-emitting layer and the bank.

Regarding claims 17,19-26, claims 17,19-26 are allowable for the reasons given in claim 15 because of their dependency status from claim 15.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
